

# (NEW) Tampere Cyber Community

## Objectives:

- Strengthen the "Safety and Security Cluster of Tampere Region" by **increasing the cyber competitiveness** of local companies.
- Support awareness-building, experience sharing, networking, and match-making.

## Joint activities:

- Information sharing events:
  - "KyberAamu" (with SYK)
  - TAMK, TUNI
- Testbeds for PoCs and pilots
  - FieldLab / TAMK
  - NISEC / TUNI
- Competence development

Start from the industry/manufacturing cluster and expand to other industries based on needs and interests.
